CLUB NEWS:

From Our Co-Presidents

AGM KPR & Charitable Trust

In any year we have 9 or 10 board members which is 20% of our membership. If the management roles are spread evenly then all members would have spent 2 years on the board in the last ten years or at least 1 year. If this was you then the club thanks you for your contribution, if not then stay tuned because a door is opening for your nomination on or before the AGM. The sooner the better. I hear you say: "I'm too old", "I'm not a regular attendee" etc. Guess what – we are all too old which makes us ideal to lead. You don't need to be regular attendee, this is why we have committees so the work load is spread around (including deputy or co-chairperson) Please consider. We are open to new ideas and progress including shared roles and less bureaucracy.

Wine offer

Australian Rotary Health is offering well known wines at a discount to all members. ARH will receive fundraising of between \$24 and \$36 per dozen. A wine list is attached. Also refer to the email I have forwarded to all members for a digital copy.

Co President Rob

Venue

As you are all aware, we have considered the suitability of several different Venues over the past several months. We held our meeting in West Adelaide Football Club last week. Meal was fine but the infrastructure there pales in comparison to Westward Ho....as do the other Venues we have considered.

The meals at Westward Ho do need ongoing monitoring but since our meeting 4 weeks ago with Steve Freeling CEO of Westward Ho, the meal choices, presentation and quality have improved greatly. Rob and I are always happy to have your feedback on this. We have booked Westward Ho Tues meeting dates out to 13th Dec....excl Melb Cup day on 1st Nov when the meeting is cancelled. If we have a situation of decline in meals this will be discussed with Steve Freeling immediately if that arises.

In all other ways, Westward Ho is a superior Venue to the others inspected. We have given some consideration to "Alternate Drop" of Meals for our Tuesday nights. WAFC used this last Tuesday and it worked fine. This would simplify the prep of Meals and would reduce wastage and Westward Ho would welcome that path, Our KPR Board will discuss that at the coming Board Meeting. It was raised at our Dinner Meeting 11th Oct for any concerns and discussion was taken on board. The timing of delivery of both meals choices to tables must be similar timingand the complimentary type of choice of meals is also key. More on this later.

Calperum Visit

Dates are under discussion....likely after March 2023. More on this later.

Norm Lewis

Our Norm Lewis has had a brief stint in RAH last week (3 days) with pneumonia. He was released back to home with daily care medical visits for the next two weeks and has improved with Antibiotics. We have passed our KPR best wishes to Norm through his daughter Joan. Hopefully Norm will be back to KPR next Tues. We are staying in touch with Joan.

Second Microphone

Our second microphone has not been operable the last few weeks. The problem has been with us (KPR). Sam at the bar has a switch that needs to be turned on for both microphones to engage them both

Co-President Warren

CLUB NEWS:

My Life, My Job Dale and Peter Kentish

We got to know Dale and Peter a little more and last week's meeting

Dale

Born Mt Gambier....High school at Mannum

Married to Peter in 1982...the date memorable as it was Peter's birthday to make future anniversaries easy to remember. Two boys and one grandchild....all live in Adelaide

Also the wedding date was also the date of the 1982 Grandfinal between Norwood and West Torrens....Norwood won which made Dale very happy but left Peter less happy than Dale..

Dale completed her Nursing Certificate and Nursed for many years. She was nominated for Nurse of the Year on 3 occasions and was successful on one of those years.,

Then Dale transferred to Royal District Nursing Society, later heading up a section of 60 [team.in](https://www.team.in) a very fulfilling role.

After retirement, they undertook University of the Third Age which has been very satisfying.

Dale also referred to several other Charitable and Community activities that they are involved with and are looking forward to continuing that community path with KPR.

Peter

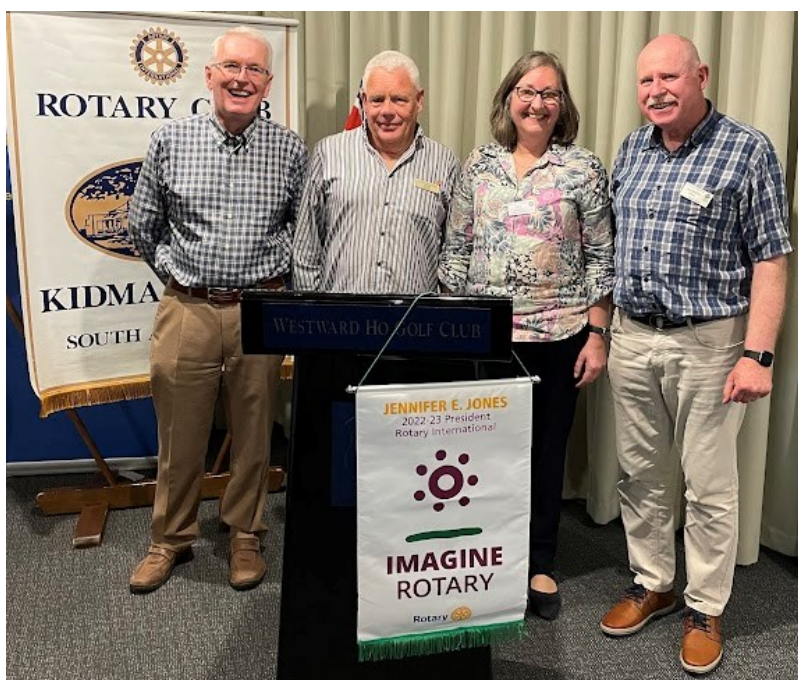

Peter has had a very different path.

Henley High Schooland a few KPR playmates at that School.

Peter started on the path of teaching but that lasted one day only before he was offered a role with CRA in Tom Price WA and other far flung work places.

He was once flown by the CRA Lear Jet from Tom Price to Melb to discuss exciting mineral possibilities....sadly that supply was not sustainable hence life in the Lear Jet was also not sustainable. Peter's description of the Lear Jet was that it was just like the Adelaide Club premises but without the fireplace.

Peter returned to Adelaideand married Dale in 1982.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Wayne Comley.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Wayne Comley and the Kidman Krier Editor Ali Harris kidmanparkrotary@gmail.com.

TOP 5 REASONS TO ERADICATE POLIO

- 1 To improve lives**
16 million people are walking today who would have been paralyzed.
- 2 To invest in the future**
If polio isn't eradicated, within 10 years, as many as 200,000 children could be paralyzed by it each year.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems.
